

LIMITED WARRANTY – CHESAPEAKE CARPET 6.1.25

At Chesapeake, we pride ourselves in manufacturing all types of flooring to exacting quality standards. We make every effort to ensure that our flooring is free from defects in manufacturing and workmanship. In the unlikely event that there is a quality defect in manufacturing or workmanship, all Chesapeake flooring carries a limited warranty.

Limited warranty coverage applies only to the original purchaser when carpet is installed in an owner-occupied residence and is not transferrable. The Limited Warranty applies provided the carpet is professionally installed using CRI-105 installation guidelines over carpet pad meeting minimum FHA requirements. Follow manufacturer's recommended care and maintenance guidelines, which includes professional cleaning as specified by the Carpet and Rug Institute.

Please refer to manufacturer's guidelines for complete details or visit manufacturer's website for the most current information.

This document defines the scope of each category of the Chesapeake warranty for branded carpet products. Not all warranties apply to all carpets. Specific warranty coverage for your carpet is designated on carpet sample.

PRE-INSTALLATION LIMITED WARRANTY:

Chesapeake warrants that your carpet is free of defects in material, workmanship, and visual defects. You and/or your installer should carefully inspect carpet prior to installation. Any carpet that appears to have defects should not be installed. Chesapeake will not be responsible for claims against product installed with known manufacturing or visual defects. Installation of carpet constitutes acceptance. Damages resulting from shipping or handling are not considered defects and are expressly excluded from warranty coverage. See Additional Exclusions for a comprehensive list of non-warranted conditions. See Additional Exclusions for a comprehensive list of non-warranted conditions.

Matting, crushing, wrinkling, buckling, snags, pulling of loops, improper side-match, visible or frayed seams, or any change in appearance are not considered manufacturing defects and are expressly excluded from warranty coverage. See Additional Exclusions for a comprehensive list of non-warranted conditions.
