5 boards per carton

Straus Handle Board

HB220NF

5 boards per carton

Resists All Kinds of Stains

UltraSoft™ PET face fiber resists staining, when properly cared for, even from items like:

Ketchup

Pet Stains

Red Wine

UltraSoft™ carpet features our **Lifetime Stain Resistance Warranty**

UltraSoft™ PET **withstands harsh cleaners,** even diluted bleach if rinsed thoroughly.

Colored to the Core

UltraSoft™ PET fiber is solution dyed, which means the color goes all the way thorough, like a carrot.

Ordinary carpet is only colored on the surface of the fiber, like a radish.

Solution dyed fiber **Won't fade** from prolonged exposure to harsh sunlight indoors.
