

PROFESSIONAL CUSHION BACK CARPET CUTTER

110551

SECURE
Ergonomic grip for
comfort and control

DURABLE
3-layer stainless steel construction
for maximum durability

CONVENIENT
Thumb screw locks
two blades in place

RELIABLE
Extended nose travels through
carpet rows without jumping lines

ANGLED
30° blade angle for precise cutting

Capitol® Professional Cushion Back Carpet Cutter features an adjustable blade depth to cut cushion-back carpet and conventional carpet of all thicknesses. The direct-pressure blade knob holds the blades in place, while 2-blade design ensures clean, precise cuts.
