TECH-FLEX NOTCHED TROWEL

SPECIALLY DESIGNED
FOR GEL / FLEX ADHESIVES

PREMIUM

Make your work more comfortable with the new TECH-FLEX notched trowel, the first notched trowel with a flexible body on the market

- 1 Specially designed to facilitate the application of gel-flex adhesives, its innovative flexible polyurethane body allows it to adapt effortlessly to all types of surfaces.
- 2 Thanks to its patented design, it achieves a reduction in physical effort of 48% compared to traditional notched trowels. In addition, the TECH-FLEX notched trowel is durable, easy to clean and highly resistant to wear and tear.
- 3 RUBI and WEBER, the experts in installation and adhesion, have joined forces to bring innovation to the sector, improving your comfort, your performance and the quality of your work, with the new generation of notched trowels with TECH-FLEX technology.

48% less effort

Comfort improved

Losing less material

High wear resistance

More efficiency
