From Tarkett, a Global Leader in Flooring for Over 100 Years

## The beauty of better engineering.

ProGen™ is a radical leap forward in flooring technology – a rigid core construction engineered from the inside, out – designed to outperform the rigors of daily wear. It holds up beautifully to the demands of busy, active households – from kids and pets to water and dirt. ProGen also handles sunlight and extreme temperature changes, resisting buckling, denting and warping.

With beautiful, authentic-looking designs, an easy, no-mess installation, and guaranteed long-term wear, ProGen promises a better experience every step of the way.

**Waterproof**  
No Temperature Limits

### Thermal Stability

Use in any room in the home. ProGen is designed to handle wide temperature fluctuations from windows and sunlight.

### Easy Installation

Its easy Uniclic® system is faster than traditional installation systems, saving you time and money.

### Durable

Resists the stresses of modern life from children to high heels to heavy furniture.

### Waterproof

Safe to use in kitchens and bathrooms for a modern look throughout the home.

### Rigid Core

Overcomes subfloor imperfections, unlike traditional luxury vinyl tile.

### Quiet

IIC rating of 68 means superior sound absorption to drastically improve overall comfort.

ProGen's next-generation technology is designed to stand up to the demands of modern life—and whatever is thrown, dropped, spilled or scraped on it. Because ProGen is durable, waterproof, dimensionally stable, and easy to install, it can be used in any room—including all-season rooms with extreme temperature changes and rooms that are most prone to moisture and spills, like kitchens and baths.

### New, Trend-Setting Designs

Make your design visions a reality through a variety of on-trend designs.
